

Dear Melton Alumni:

As a Melton graduate, you know the program is one of the best learning experiences available in our Pittsburgh Jewish community. We are committed to the enhancement of Jewish life through Jewish learning and want to ensure its future in our city.

AJL is establishing the Alumni Association to help support Adult Education and bring additional learning opportunities to the community as well as maintain Melton as a resource for all.

With more than 1000 graduates in our area, we will be able to satisfy our craving for learning and provide a venue for alumni to share new and wonderful learning experiences together again.

As a member of our Association, you'll be able to participate in Members only programs at no charge—an easy way to reap the benefits of Melton style learning beyond the classroom and protect the continuity of our Melton program.

Join me as a member of the Pittsburgh Melton Alumni Association.

L'Shalom,

Amy Karp,
