

## Reel to Real: Generation to Generation

Do you like watching movies?

Are you interested in doing a mitzvah by spending time with older adults?

Then Reel to Real is for YOU!!!

JFilm: The Pittsburgh Jewish Film Forum is thrilled to partner with J-SITE to offer this unique program for teens and seniors. Each month participants will meet at a senior living facility to watch a different film and “schmooze” about it afterwards! Teens will lead each post-film conversation and gain valuable leadership skills in the process.

Films range from comedies to dramas, fiction films to documentaries. R2R is a great way to meet teens from other high schools and learn more about Jewish culture while spending time with senior adults.

Community service hours available and/or extra credit towards J-SITE certificate. Moderated by JFilm’s Lauren Braun.

Reel to Real will meet once a month on Sunday afternoon from 1-3pm. For more information and a complete schedule contact Beth Goldstein at 412-521-1101 ext 3203 or [bgoldstein@ajlpittsburgh.org](mailto:bgoldstein@ajlpittsburgh.org).
